## **Southeast Metals Prime Vendor Contract Awarded to TW Metals**

Exton, PA, April 30, 2015 – TW Metals' Government Business Unit (GBU) has been awarded a "Metals Prime Vendor" contract from Defense Logistics Agency (DLA) Troop Support to provide a range of products including pipe and tube, bar and rods, wire, sheet, plate, extrusions angles, valves and fittings.

The contract is for a five-year base period, and the projected revenue could exceed \$20 million annually (maximum of \$40 million). This award is a new contract for TW Metals.

Pat Able, General Manager, Government Business Unit (GBU) at TW Metals, said, "We are honored and pleased to be awarded the Southeast contract. We are looking forward to serving and supporting the customers throughout the region."

The customers include military activities, other federal agencies, contractors performing under DoD contracts; including the Maintenance, Repair, Operations (MRO) contractor(s), Naval Facilities Engineering Command (NAVFAC) contractor(s), Army Corps of Engineers (ACE) contractor(s), state Governments, Local Governments, and any other prime vendor/virtual prime vendor performing under a DoD contract with in the Southeast Region. The Southeast Region is defined as Alabama, Florida, Georgia, Mississippi, North Carolina, South Carolina, Tennessee and Virginia.

### **About TW Metals**

[TW Metals](#) is a leading specialty metal distributor with over 30 facilities worldwide. The company offers a broad range of products and services, including extrusions, fittings, pipe, tube, rod/bar, sheet and plate in stainless, aluminum, nickel, titanium, alloy and carbon steel. TW Metals was formed in 1998 through

the merger of Tubesales (founded in 1946) and Williams and Company (founded in 1907). TW Metals is a member of the O'Neal Industries family of companies.

**About O'Neal Industries**

O'Neal Industries (onealind.com) is the U.S.A.'s largest family-owned group of metals service centers, composed of more than a dozen leading brands. With sales of approximately \$2.66 billion in 2014, [O'Neal Industries](#) is based in Birmingham, AL and has more than 90 specialized facilities throughout North America, South America, Europe, and Asia.
