## **O'Neal Industries Hires Vice President and Corporate Controller**

**BIRMINGHAM, Alabama** (June 19, 2017) — O'Neal Industries (ONI) has hired Troy Lugo as its Vice President and Corporate Controller. In that role, Lugo will be responsible for all ONI holding-company financial reporting, accounting, treasury, and banking activities, as well as acting as a support resource for ONI affiliate companies on technical accounting and financial reporting issues.

Lugo, a Certified Public Accountant, worked in senior management for PricewaterhouseCoopers LLP in Birmingham for 10 years, and worked most recently as Chief Financial Officer for McKinney Communications in Birmingham. He holds a Bachelor of Science degree in Business Administration with a major in Accounting, and a Masters of Business Administration from Samford University.

O'Neal Industries (ONI) is the largest family-owned group of metals service centers in the United States. Composed of six leading brands and generating sales of approximately \$2.1 billion in 2016, ONI is based in Birmingham, Alabama, and has more than 80 specialized facilities throughout North America, Europe and Asia.
